THE RUSTIC GARDENS
BEIDING, MICHIGAN.

To our Friends:

It is our intention to have every transaction so satisfactory to our customers that it will be a pleasure to do business with us.

On account of limited space our descriptions are brief, being confined to the color.

Any varieties you choose and want a more complete description of, write us. All questions faithfully answered.

Should there be anything unsatisfactory we want the opportunity to make it right if we are wrong.

MINIMUM ORDER. Orders for \$2.00 or over, prepaid via parcel post or express.

Less than \$2.00, add 20¢ for postage.

All orders are acknowledged the day received.

Keep a copy of your order. Write name and address plainly.

Our plants are State and Federal inspected, which insures you of disease free plants and tubers.

Usual discount to the trade.

This list contains many of the Honor Roll dahlias and all varieties listed are large-flowering types and have been winners of prizes in the leading shows in the past two years.

All plants are propagated from base cuttings. Our plants and tubers are grown by us in our greenhouse or in our fields. They are grown cool and weather hardened before shipment and we guarantee them to arrive safely to any part of the United States and reach you in good growing condition.

Notice - We have a number of varieties in small quantities. If you do not see what you want, write us. We may have it.

DAHLIA TUBERS

We have only a limited number of tubers and will make up a collection of 5 large flowering dahlia for \$1.00, 12 for \$2.00, all labeled. These would list up to \$1.00 each if listed separately.

Therefore, we solicit your trade. If you have never given us an order, give us a small one now. It will receive our most careful attention.

Yours for prize winning dahlias in 1937.

THE RUSTIC GARDENS
FRANCIS GAIS, PROP.
